

Clinically Proven. Professionally Accepted. Patient Demanded.

Clear + Brilliant is an effective yet gentle skincare laser treatment, clinically proven to fight the effects of ageing skin.

In clinical studies, Clear + Brilliant helped refresh skin tone and texture. Time after time, Clear + Brilliant patients reported "looking and feeling younger" and rediscovering their skin's natural "radiance and smoothness". For our patients, these are the kind of results that speak volumes.

Clear + Brilliant takes skincare to a whole new level. Not only does it improve unwanted signs of ageing, it gives you the power to help prevent them.

- Visibly illuminated skin tone
- Renewed, softer and smoother texture
- Naturally radiant and glowing skin
- Reduction in the appearance of pores
- Improved tone, texture and radiance

NO SURGERY OR INJECTIONS

Clear + Brilliant is non-invasive, no cutting, no needles.

SIMPLE AND COMFORTABLE

Clear + Brilliant treatments are quick and gentle.

A SINGLE TREATMENT

One 15 to 20 minute Clear + Brilliant session can leave your skin feeling smoother, younger looking and give you that "radiant glow".

LITTLE TO NO DOWNTIME

A fresh youthful look without social downtime.

NOTICEABLE RESULTS

Routine treatments deliver noticeable results that keep others guessing your secret.

A CLEAR STORY OF BRILLIANT SUCCESS:

- > An expert in preventative anti-aging laser treatments since 2011
- > Designed to be a simple yet effective treatment to add to your routine, much like the way you plan for a facial or trip to the hair salon
- > Clinically proven with over 20 published clinical studies +2 million procedures and counting, and has become a red carpet favourite

Clear + Brilliant Perm a goes the extra step

With Clear + Brilliant Perm a, topical skin care products work harder for you. The Perm a treatment enhances skin permeability, increasing the benefits of topical skin care products immediately after treatment, and giving you results you'll love. In clinical studies, those treated with Clear + Brilliant Perm a followed by a topical antioxidant serum noted greater uniform tone, boosted radiance and enhanced overall appearance.*
